FULL-STACK DEVELOPER

About me

I'm a tech professional who loves creating cool, user-friendly web and mobile apps. I build with React, React Native, and always enjoy learning new tools to level up my skills.

Experience

Database Manager

NIIT 2023 - Present

Skilled database manager with experience in data organization, security, backups, and optimizing relational and NoSQL database systems

Web Developer

NIIT 2023 - Present

Innovative web developer experienced in building responsive websites using HTML, CSS, JavaScript, React, and modern front-end frameworks.

Mobile App Developer

NIIT 2023 - Present

Developed cross-platform mobile apps for iOS and Android using React Native and JavaScript for seamless performance.

Education

(2023-date.) Software Engineering

NIIT

A student at National Institute of Information Technology (NIIT), Ikota, Lagos (2023-present), honing skills for software development.
